

Pupil Perceptions

Executive summary

The Executive Summary provides an indication of how pupils from year 7 to year 12 or above feel about their experiences of school and Readiness for Learning (RfL). You can use the survey results to understand wellbeing patterns and concerns across your pupil community. See the full report for more detail.

Date: **3rd January 2023 to 30th March 2023**

Number of respondents: **649**

Respondent type (year group):

Year	7	8	9	10	11	≥12
Pupils	109	133	106	108	85	108
Average RfL	3.7	3.6	3.6	3.6	3.6	3.6

Overall RfL vs national average

Most positive responses

(% positive responses)
